

Secaucus Public Library Presents

Living Longer, Living Wiser

Aging in the 21st Century

Secaucus Public Library
November 16th
6:30 pm
Panasonic Room (2nd Fl)

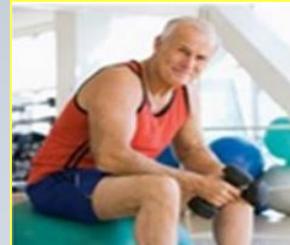

What are the questions of aging that keep you up at night? Is it financial? Is it about health care? Is it who will care for you, or where you or a loved one will live?

This program will address the following:

- Financially preparing for the future
- How to fund the need for Long Term care for yourself or loved ones
- How to navigate through the maze of eldercare services
- Aging in Place
